In response...

What do I need to leave behind?

In my sphere, who are my examples, imitating Christ?

Do I think I am a good example, imitating Christ? (on a scale of 0-10)

Who do I need to cheer on (*kaleo*) in their race?

Who do I need to come alongside (*parakaleo*) in their race?

Who do I allow in my life to come alongside me as I pursue the prize and imitate Christ?
