This week's message

What did I find helpful, insightful, or difficult?

How does this connect with God's overarching story?

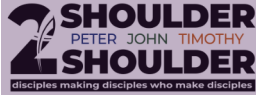

How does this connect with my personal story?

How could I share this with:

My family?

A friend who is new to Christianity?

A non-believing friend?

---

This week's scripture passage

What type of writing is it? Who wrote it? For whom was it written?

When was it written? What was going on at the time?

What parts are hard to relate to our culture today?

What words or verses stood out most to you?

What other verses or passages does it tie into?

How would I tell the story of the passage in my own words?

---

This week's discussion questions

If I had to prepare an abbreviated version of the sermon, what two points or ideas would I include?

What's one thing from the sermon that I hope we talk about as a group?

What did I most agree with or disagree with? Why?

What's a question I wish I could have asked during the sermon?
