August 6, 2023

## Today's Scripture:

Haggai 1:1-11

## Additional References:

Ezra 4:1-4, 24

Haggai 2:15-19

Ezra 5:1-6:16

Kings 18 & 19

1 Peter 5:6-9

Hebrews 12:1-2

## For Action:

- When was the last time I carefully considered my "course and speed"?
- What is my go to "reasonable excuse"?
- How is God trying to get my attention right now?
- Where am I vulnerable to fear and discouragement? How do I generally respond to it?
- What is the distraction that seems to capture me? How can I address that?
- What am I prepared to do - starting today - in response to what God is showing me?
- Who will I commit to sharing this with this week?
