No One Like Our God Highlands Build My Life Mighty To Save

No One Like Our God

Verse 1

What is this love that won't relent
That's calling out with heaven's breath
Who is reaching wide to save our souls
Only You

What is this grace that makes no sense
That we could never recompense
Who gives us all a second chance
Only You only You only You

Chorus

There is no one like our God
There is no one like our God
There is no other God who can save
There is no one like our God

Verse 2

Who hung the stars upon the night
And showed the sun how bright to shine
Who shaped the world within His hands
Only You oo

Who set the sky upon the hills
And told the waters to be still
Who spoke to form the universe
Only You only You only You

Bridge

No height or depth can stand between us
No pow'r on earth or all creation
No life or death can separate us from Your love

Highlands (Song Of Ascent)

Verse 1

O how high would I climb mountains
If the mountains were where You hide
O how far I'd scale the valleys
If You graced the other side

Verse 2

O how long have I chased rivers
From lowly seas to where they rise
Against the rush of grace descending
From the source of its supply

Pre-Chorus

'Cause in the highlands and the heartache
You're neither more or less inclined
I would search and stop at nothing
You're just not that hard to find

Chorus

Oh (So) I will praise You on the mountain
(And) I will praise You
When the mountain's in my way
You're the summit where my feet are
So I will praise You in the valleys all the same
No less God within the shadows
No less faithful when the night leads me astray
(Cause) You're the heaven where my heart is
In the highlands and the heartache all the same

Interlude

Whoa (whoa)

Verse 3

O how far beneath Your glory
Does Your kindness extend the path
From where Your feet rest on the sunrise
To where You sweep the sinner's past

Verse 4

And O how fast would You come running
If just to shadow me through the night
Trace my steps through all my failure
And walk me out the other side

Pre-Chorus

For who could dare ascend that mountain
That valleyed hill called Calvary
But for the One I call Good Shepherd
Who like a lamb was slain for me

Bridge

Whatever I walk through
Wherever I am
Your Name can move mountains
Wherever I stand
And if ever I walk through
The valley of death
I'll sing through the shadows
My song of ascent

Pre-Chorus

From the gravest of all valleys
Come the pastures we call grace
A mighty river flowing upwards
From a deep but empty grave

There is none beside You
Open up my eyes in wonder and show me who You are

Ev'ryone needs compassion
Love that's never failing
Let mercy fall on me
